<sup>\*</sup>Other non-recurring revenue is composed of hardware sales, usage fees and perpetual licenses, and was previously referred to "Perpetual license and other." Changing the name for this type of revenue reflects that perpetual license revenue has declined to relatively insignificant levels with hardware sales now representing the majority of this type of revenue.

<sup>\*</sup>Other non-recurring revenue is composed of hardware sales, usage fees and perpetual licenses, and was previously referred to "Perpetual license and other." Changing the name for this type of revenue reflects that perpetual license revenue has declined to relatively insignificant levels with hardware sales now representing the majority of this type of revenue.
